2. Disclosure Guidelines

2.1 Introduction

The Akwa Ibom State Government is committed to providing accurate and timely information on its activities to the public and other stakeholders. This policy underscores Government's determination to build an efficient, effective, transparent, and accountable administration, while empowering citizens to actively scrutinize and participate in decisions that affect their lives. This Annexure establishes clear guidelines for the disclosure of information in Public-Private Partnerships (PPPs).

These guidelines are aligned with the Akwa Ibom State Government's commitment to achieving the Sustainable Development Goals (SDGs) by 2030. Specifically, SDG 16 calls for the building of effective, accountable, and inclusive institutions at all levels. Transparency and accountability are also critical to attaining targets under SDGs relating to poverty reduction, income growth, water, education, energy, and sustainable cities, all of which depend on equitable access to essential public services. The important role of PPPs in delivering these services is explicitly recognized in SDG 17, which encourages and promotes effective partnerships between the public, private, and civil society sectors.

The legal foundation for PPPs in Akwa Ibom State is primarily anchored in the Executive Order on the Consolidation of the Mandate of the Akwa Ibom State Investment Corporation (AKICORP), 2023. This Order emphasize that transparency and accountability are fundamental to AKICORP's mission of promoting and facilitating public-private partnerships.

In line with this mandate, AKICORP is required to develop and implement comprehensive Public-Private Partnership Guidelines, benchmarked against international best practices. These Guidelines aim to standardize PPP processes, promote efficiency, ensure accountability, and foster equitable and mutually beneficial partnerships between the public and private sectors. Other legal frameworks are:

- i. Expansion of Mandate of Akwa Ibom Investment Corporation (AKICORP) Order, 2023
- ii. Akwa Ibom State Fiscal Responsibility Law (2020)
- iii. Akwa Ibom State Public Procurement Law (2020)
- iv. Akwa Ibom State Audit Law (2021)
- v. Akwa Ibom State Public Finance Management Framework
- vi. Nigerian Infrastructure Concession Regulatory Commission (ICRC) Act (2005).

The Akwa Ibom State PPP Unit recognizes that transparency and accountability are fundamental to its mission of fostering PPPs. The Unit under the Corporation

believes that open disclosure is crucial for raising public understanding of PPPs, stimulating constructive dialogue, and enhancing overall governance. This commitment to transparency promotes stakeholder engagement and empowers the public to participate in informed discussions that leads to stronger and more sustainable development outcomes.

Therefore, the Public Private Partnership Unit (PPPU) desires to enhance its PPP frameworks through building systems of transparency and accountability, including processes conducive to disclosure, and embedding disclosure in routine PPP practice.

Since PPP disclosure is an evolving area in the State, these Guidelines will be revisited and revised periodically as required.
